5. [REDACTED] and [REDACTED] of the Psychological Services Staff on 1 August were briefed by NPIC officials on the work of photo-interpreters. Applicant screening and other personnel matters were discussed as part of the PSS response to the request of NPIC for expanded PI assessment techniques.

6. As part of the efforts of the Operations Division to develop a micrographic program for its other records that is compatible with the system used in its Person-to-Person Access Program, OD officials were briefed this week by Mr. [REDACTED] of the ISAS/DDM&S on available equipment for this effort.
